Information for applications for admission

- a) Pursuant to and in compliance with DLGS 196/03, on the processing of personal data and minimum security measures, the ASSOCIATION , as controller, is required to provide certain information regarding the use of such data:
- SOURCE OF PERSONAL DATA**
The personal data of the members are directly and freely provided by the interested party
- FINALITY OF THE PROCESSING FOR WHICH THE DATA ARE INTENDED**
Personal data are processed within the normal activity of the association and according to the following purposes:
- b) b) for which consent is not required on the basis of legal, pre-contractual or contractual obligations
- the keeping and administration of social books as provided for in the Staff Regulations;
 - aims related to the purpose and nature of the association, as provided for in the statutes
 - the purposes connected with obligations laid down by law and by provisions laid down by authorities legitimised by law;
 - Establishment, exercise or defence of a right in court and out of court (legitimate interest)
- c) for the processing (excluding communication) in the context of the legitimate activities of the association of data belonging to particular categories of personal data (relating to the state of health, racial and ethnic origin, life and sexual orientation, biometric or genetic) concerning members, former members or persons having regular contacts with the association
- d) for which the interested party has the right to express or not consent for purposes functional to the activity of the association (eg. promotion, regular sending of electronic communications, etc.)

MODALITY OF DATA PROCESSING

Data processing means the collection, registration, organisation, storage, processing, modification, cancellation and destruction of the data or a combination of two or more of these operations. In relation to the aforementioned purposes, the processing of personal data takes place through manual, computer and telematic tools, with logic strictly related to the purposes themselves and, in any case, in order to ensure security and confidentiality. Personal data will therefore be processed lawfully and correctly, collected and recorded for specific, explicit and legitimate, exact, and if necessary updated, relevant, complete and not exceeding the purposes of the processing, protected by appropriate measures of security. Automated decision-making (e.g. profiling) is not carried out. The processing will take place mainly in Italy and the EU, but it could also take place in non-EU and non-EEA countries if deemed functional to the efficient achievement of the objectives pursued in compliance with the guarantees in favour of the interested parties. The data will not be disseminated

PERIOD OF CONSERVATION

The personal data will be kept, in general, as long as the purposes of the processing continue: for example, they will be kept for the duration of the contractual relationship and, after its conclusion, until the end of the legal prescription (10 years) provided the relationship is not renewed.

PROVISION OF DATA AND CONSEQUENCES OF REFUSAL

In the event that the interested party does not communicate their personal data, it will not be possible to proceed with the provision of services requested by the interested party. All data not necessary to proceed with the provision of the services requested by the interested party, are optional.

CATEGORIES OF ADDRESSEES

Data (only necessary data) are communicated

- persons in charge and persons in charge of the processing, both inside and outside the writer’s organisation, who carry out specific tasks and operations
- in the cases and persons provided for by law

RIGHTS OF THE DATA SUBJECT

At any time you may: exercise your rights (access, rectification, cancellation, limitation, portability, opposition, absence of automated decision processes) when provided to the data controller, pursuant to art. 15 to 22 of the GDPR (shown at the bottom); lodge a complaint with the Guarantor; if the processing is based on consent, revoke such consent given, taking into account that the revocation of consent does not affect the lawfulness of the processing based on consent before the revocation.
